**We don't store your
personal information. Ever.**

Our privacy policy is simple: we don't collect
or share any of your personal information.

**We don't follow you
around with ads.**

We don't store your search history. We therefore have nothing
to sell to advertisers that track you across the Internet.

We don't track you in or out of private browsing mode.

Other search engines track your searches even when you're in private browsing mode. We don't track you — period.
